Abstract

Summarize the thesis, covering the objectives, methods, and major outcomes of creating a digital marketing strategy for "Cloth," a startup focused on the apparel sector. Highlight how SEO optimization, social media marketing, and content creation were used to enhance brand visibility and reach.

## Introduction

- **1.1 Background of the Study:** Discuss the importance of digital marketing for startups, specifically in the apparel industry. Mention the shift towards online shopping and the need for strong digital presence.
- **1.2 Objectives:** Outline the main objectives of the project, such as developing an SEO-optimized website, building a brand on social media, and creating compelling ad content.
- **1.3 Scope of the Study:** Define the parameters, including the platforms and tools used (e.g., Pantheon.io for website creation, Canva for visuals, and various social media channels).
- **1.4 Significance of the Study:** Explain the relevance of this project for digital marketing students and entrepreneurs interested in the apparel industry.
  
- **2.1 Digital Marketing Fundamentals:** Review the principles of SEO, social media marketing, and content marketing in the context of startups.
- **2.2 Digital Marketing:** Examine existing studies on digital strategies tailored to fashion and apparel brands.
- **2.3 Case Studies of Successful Apparel Brands:** Analyze examples of successful digital marketing campaigns in the apparel industry.

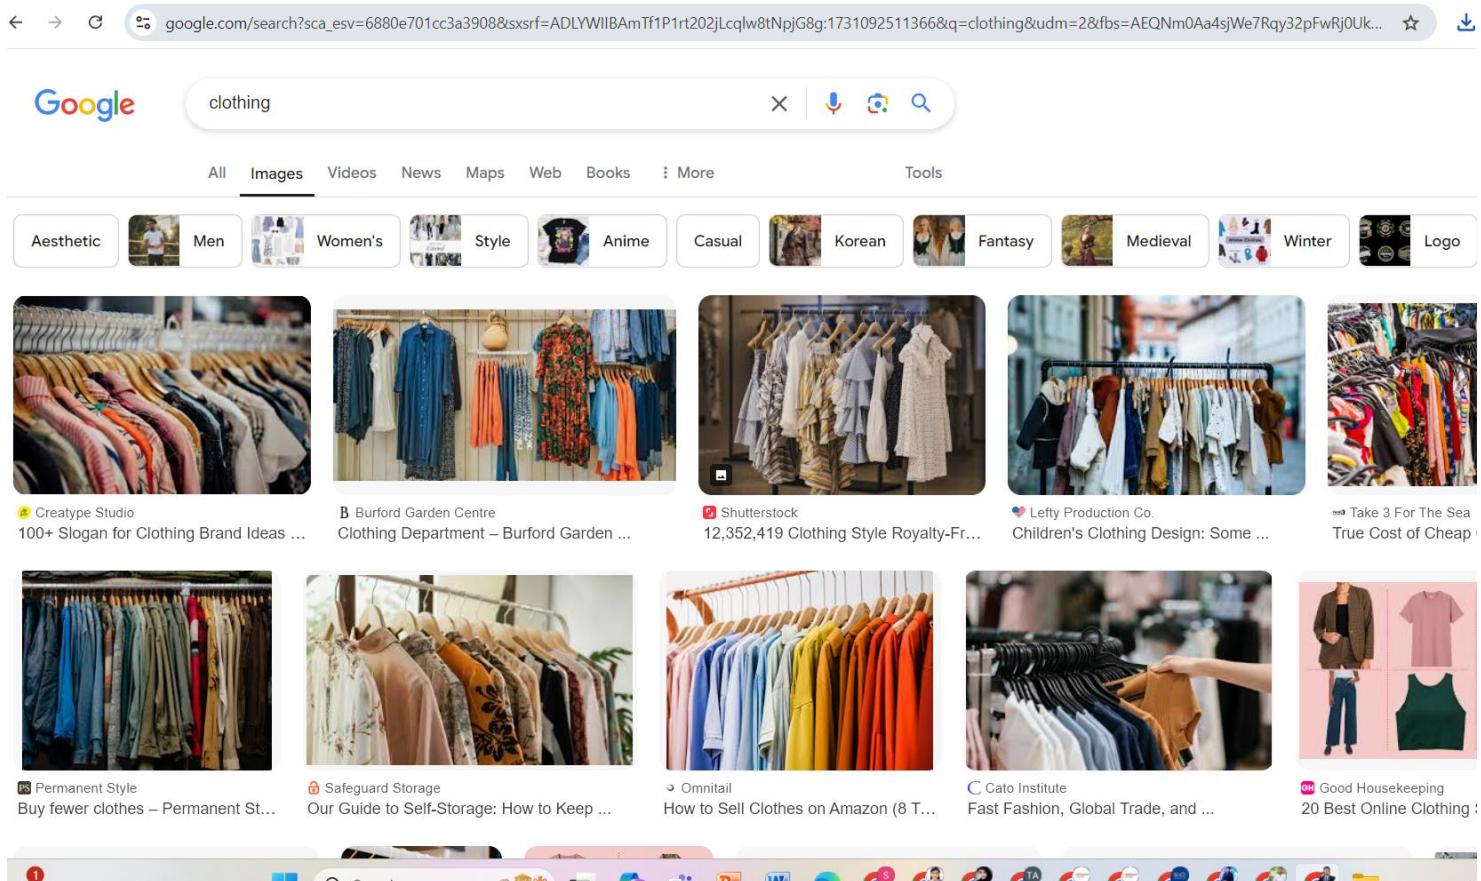

## Methodology

5

- **3.1 Research Design:** Describe the design and tools used to create the marketing strategy for "Event"
- **3.2 Website Development:** Detail the process of building a website using Pantheon.io, incorporating SEO through keywords, meta descriptions, and headings.

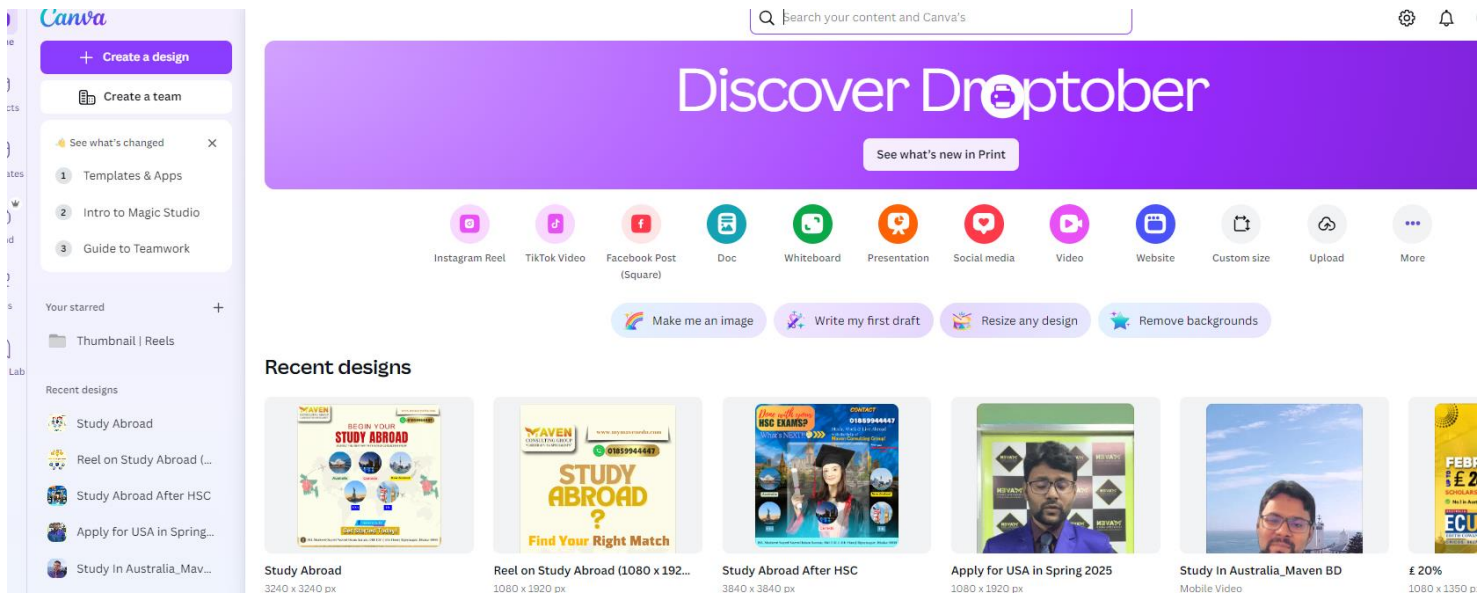

- **3.3 Social Media Marketing Strategy:** Outline the creation of brand pages on Facebook, Instagram, and other platforms, including content creation, audience engagement, and advertisement setup.
- **3.4 Content Creation:** Discuss the use of Canva for designing logos, product images, and ad posters to create a cohesive brand image.
- **3.5 Payment Integration:** Explain how payment methods (Bkash, Nagad, Rocket) were integrated into the site to ease transaction processes for customers.

## Results and Discussion

- **4.1 Website Performance and SEO Analysis:** Provide insights into how the website structure, content, and SEO practices could potentially increase visibility and traffic.
- **4.2 Social Media Engagement:** Discuss the initial engagement metrics from social media, including likes, shares, comments, and click-through rates on ads.
- **4.3 Brand Perception:** Analyze how the branding elements (logo, visuals, and ads) contributed to building a recognizable image for "Cloth."
- **4.4 Challenges and Limitations:** Reflect on any challenges encountered, such as limitations in tools or platform restrictions, and how these were addressed.

## Conclusion and Recommendations

- **5.1 Summary of Findings: Summarize the key findings from implementing the digital marketing strategy.**
- **5.2 Implications for Digital Marketing in Apparel Startups: Discuss how this strategy could benefit other apparel startups.**
- **5.3 Recommendations for Future Research: Suggest areas for further research, such as analyzing long-term brand engagement and exploring additional social media platforms.**
